

## Wish list for the Wildlife Discovery Centre:

	<p><b>Ranger Activity:</b> These items will be used by the students to experience life as a wildlife ranger! In teams, the students will be required to dress up as rangers and choose the most appropriate items to pack for 'ranger training camp'! These items could be second hand or acquired from charity shops.</p>
	<p><b>Tech equipment:</b> These items are fundamental to ensure that the WDC is a world class education facility. We hope to engage the children through tech and help to improve their tech skills through interactive digital conservation activities.</p>
	Teacher stationary/resources
	Student stationary/resources
	<p><b>Nature exploration activities:</b> These items will be fundamental for activities within Lusaka National Park such as scavenger hunts, nature walks, biodiversity activities and observation tasks. The activities have been designed to engage the students with the environment around the WDC and to immerse them within nature.</p> <p>NB: The Tote bags will be branded with the WDC logo in country and given as a 'goody bag' to every student who attends the Education Day at the WDC. This will help us raise awareness within the communities as well as fight the war on plastic bags here in Zambia.</p>
